

## **Noble Ark Ventures Important Disclosures**

### **Services**

Noble Ark Ventures is a business development and organizational management consulting firm. We provide professional consulting services to organizations across industries. All consulting recommendations provided by Noble Ark Ventures are the opinions of its team of professionals at the time the recommendation is provided, and shall not be construed as professional advice for the purposes of any legal, tax, compliance, medical or other such reason necessitating specialized counsel. The professionals of Noble Ark Ventures, when providing services as Noble Ark Ventures, are solely the opinions of Noble Ark Ventures and no other entities.

### **Confidentiality**

Noble Ark Ventures adheres to strict confidentiality standards; the opinions, data, opportunities and internal communications shared with Noble Ark Ventures are strictly confidential.

### **Privacy**

Noble Ark Ventures does not disclose in any manner, whether by sale or otherwise, nonpublic personal information about our customers (including present, prospective or former customers) to affiliated or non-affiliated third parties except as we are required or permitted by law or as necessary to complete project work contracted through a contracted third party under confidentiality agreement.

Other than as disclosed in this notice, we do not release your nonpublic personal information to anyone other than you unless you grant permission to release that information.

We educate our team to be sensitive to privacy concerns and hold them accountable for violations of Noble Ark Ventures LLC privacy policy. We restrict access to nonpublic personal information about you to those team members who need to know that information to provide products or services to you.

The Noble Ark Ventures LLC privacy practices and policies available at this web site are designed to address possible concerns of our members and the general public who may visit this web site, in recognition of the unique nature of electronic media.
